MEMORANDUM

To: Directors of Special Education
From: Dick Trerise, IDEA Part B Program Manager
Date: April 7, 2014

Re: Announcement of Supplemental Distribution of Additional Federal Fiscal
Year 2012 IDEA Section 611 Funds

Montana received a supplemental grant award from the Office of Special Education Programs (OSEP). We are required to distribute these funds using the same formula as was used for the original awards. The supplemental award amount for the state is \$5,532.

The additional funds that are being added to your allocation at this time are State FY'13 funds. These funds have an ending date of September 30, 2014. You may do an amendment now if you want to access these funds. The E-grants system pays out prior year funds first, so these additional funds will be expended even if you choose not to do a budget amendment. This, of course, will leave unspent FY'14 funds that will carry over into the FY'15 grant year.

Attached to this e-mail is a document showing the award amounts for each special education program.
